Dude, I will be more than done at the end of this 4 years and am not even considering an extension. We should talk.

Sheriff,

I know there is still time but I wanted to let you know I am thinking of running for Sheriff after your term is up. That is of course unless we go back to a three term limit and you decide to run again. You know I will always support you first.

You know I am a church goer and a Baptist to boot . You have a lot of supporters in my small circle of influence and I have let them know I want to run. If I feel I have some momentum and support, I probably will.

I would love to know your thoughts.
